# THE OLD GUN SHOP

TOGS - A place built on good food, warm people, and a love of Lancaster's community spirit. We serve vibrant, homemade dishes made fresh from whole food ingredients — always cooked with care (and a little bit of flair).

Once upon a time, this place sold rifles, fishing tackle, and boots. Now, we serve roasted roots, tea lattes, and delicious plates of food.

We kept the name not because we're nostalgic for the past, but because we believe in reclaiming spaces and rewriting stories. What was once a shop for hunters is now a place to slow down, gather, and nourish.

Whether you're here for brunch, a cuppa, or a cosy evening meal, thank you for supporting local and being part of our story.
